It's a beautiful day
Now I'll be okay
Now that you're not away
Yesterday was a terrible day
But now that you're here, I'm okay
Cuz you don't know how much I
I need you, please don't go
You're so wonderful
This I swear, this I know

You, oh, you
Every single thing you do
I'm so proud of you
What you do
When you do the things you do
They're so you

So thanks, for your help
You shine so bright
You are the star that's in my sky
And I am yours and you are mine

Whoa you, whoa you
Every single thing you do
I'm so proud of you
What you do
When you do the things you do
They're so you

And I'm so proud of you
That's so you
