Do you need
Me at night?
When you're warm
In your bed
Do you see
What went wrong
When i look
In your eyes
Now darling
Don't be worried
When your sleeping on your own tonight

Don't wait
Cuz you'll just waste your time
You never listen to
Anything I have to say
Cuz now i'm believing the things that i'm lying about
Tonight babe.
Cuz in a heartbeat we changed so fast
And now the stars are aligning
And the moon is setting
And I will be the best damn constellation
Thats in your sky tonight

Now darling i am scared
and there's worry in the air
But i'm not acusing anyone
But myself
But theres something that i
Gotta get off my chest
So here it goes.

Don't wait
Cuz you'll just waste your time
You never listen to
Anything I have to say
Cuz now i'm believing the things that i'm lying about
Tonight babe.
Cuz in a heartbeat we changed so fast
And now the stars are aligning
And the moon is setting

And I will be the best damn constellation
Thats in your sky tonight
