She knows exactly what to do whenever I'm alone with
her

I can barely make a move, by the time she opens up
her eyes

She sings to me at night, she's singing
(ba da ba ba ba da ba ba da ba da)
(ba da ba ba ba da ba ba da ba da)

I know that she barely knows me and I'm fake in love
with her

It's like I'm singing karaoke, and I forgot the second
verse

But I can make up my own words

Oh Dakota, I know our love is new

I barely know ya, I've fallen over you

It's the way you do the things you do that made me fall
in love with you

Dakota, are you in love with me too?

She's got a little bit of money and a little bit of this

And it's all she needs to live,

I got a little bit of love and a little bit of that

And it's all I have to give

This time I'll try not to show that I am not letting go

Oh Dakota, I know our love is new

I barely know ya, I've fallen over you

It's the way you do the things you do that make me fall
in love with you,

Dakota, are you in love with me too?

I'll show ya, I'll show ya, and you'll know, and you'll
know

I'm not letting go

I'll show ya, I'll show ya, and you'll know, and you'll
know

I'm not letting go

Oh Dakota, I know our love is new

I barely know ya, I've fallen over you
It's the way you do the things you do that make me fall
in love with you
Dakota, are you in love with me too?

Oh Dakota, I know our love is new
I barely know ya, I've fallen over you
It's the way you do the things you do that make me fall
in love with you
Dakota, are you in love with me too?

I'm in love with you, are you in love with me too?
