

## **Rocket To The Moon, A "Fear Of Flying"**

Visit "[Fear Of Flying](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I took a picture of a girl I once knew, I kept it here  
incase I'd run into you  
The look on your face could light up a room, but  
instead you left

And now I'm sitting with my head on the dashboard  
Push the seat back and close my eyes  
I had this dream that I was on an airplane, afraid to fly

So I tipped my head to the side and I whispered  
To this man that was in the isle,  
I said, "do you know how long it takes before we die?"  
And then I rolled awake

Take me back to the person I used to be, when you  
were there for me  
I know it seems like forever but do me this favor please  
Way back when we were stupid, held grudges just to  
help us sleep  
Oh my God, how ridiculous were we?

I stop your breathin' everytime I'm around girl  
Your body's sweatin' and your hands start to shake  
I know you can't control your eyes  
But I know that your looks, they are fake

So tease me once and I'll swear I'll forget  
How it feels when you've got nothing left  
well take it slow and only work at it sometimes, oh yeah

Take me back to the person I used to be, when you  
were there for me  
I know it seems like forever but do me a favor please  
Way back when we were stupid, held grudges just to  
help us sleep  
Oh my God, how ridiculous were we?

I took a picture of a girl I once knew,  
I kept it here incase I'd run into you  
The look on your face could light up a room, but  
instead you left

And oh, you left

Take me back to the person I used to be, when you  
were there for me  
I know it seems like forever but do me this favor please  
Way back when we were stupid, held grudges just to  
help us sleep  
Oh my God, how ridiculous were we?
