Once upon a time  
I believe it was a Tuesday when I caught your eye  
We caught onto something,  
I hold on to the night  
You looked me in the eye and told me you loved me  
Were you just kidding cause it seems to me  
This thing is breaking down we almost never speak  
I don't feel welcome anymore,  
Baby what happened please tell me  
Cause one second it was perfect and now you're half  
way out the door

And I stare at the phone  
He still hasn't called  
And you feel so low you can't feel nothing at all  
And you flash back to when he said forever and always

And it rains in your bedroom everything is wrong  
It rains when you're here and it rains when you're gone  
Cause I was there when you said forever and always

Was I out of line  
Did I say something way too honest  
That made you run and hide  
like a scared little boy  
I looked into your eyes; thought I knew you for a minute  
Now I'm not so sure  
So here's to everything  
Coming down to nothing  
Heres to silence  
That cuts me to the core  
Where is this going, thought I knew for a minute  
But I don't anymore

And I stare at the phone  
He still hasn't called  
And you feel so low you can't feel nothing at all  
And you flash back to when he said forever and always

And it rains in your bedroom everything is wrong  
It rains when you're here and it rains when you're gone

Cause I was there when you said forever and always

You didn't mean it baby  
I don't think so  
Ohhh ohhhh

Oh back up, baby back up, did you forget everything  
Back up, baby back up, did you forget everything

It rains in your bedroom everything is wrong  
It rains when you're here and it rains when you're gone  
Cause I was there when you said forever and always

And I stare at the phone and he still hasn't called  
And you feel so low you can't feel nothing at all  
And you flash back to when we said forever and always

And it rains in your bedroom everything is wrong  
It rains when you're here and it rains when you're gone  
Cause I was there when you said forever and always  
You didn't mean it baby, you said forever and always

Yeah
