She likes the taste of Captain Morgan, cigarettes, oh
she adores them
She can get a little crazy sometimes
Tight shirts and mini skirts, her family's rich so she'll
never work
And she's always on my mind

I can see the love when I look into her eyes,
If everyone could see what I see inside

Well she lives at night and sleeps all day,
She'll dance and drink her life away, but she doesn't
know who I am
She gets what she wants and doesn't quit,
She might as well get paid for it, but she doesn't know
who I am,
And she doesn't give a damn

She doesn't kiss under rainy clouds, only boys from the
same crowd
Guess I'm out of luck now
Is it because of my long hair, tattoos and the fact that I
don't care
What she thinks of me and that drives her crazy

I can see the love when I look into her eyes
If everyone could see what I see inside

Well she lives at night and sleeps all day,
She'll dance and drink her life away, but she doesn't
know who I am
She gets what she wants and doesn't quit,
She might as well get paid for it, but she doesn't know
who I am,
And she doesn't give a damn

Someday she'll know that she loves me, that she loves
me
Someday she'll know that she loves me, that she loves
me

When she's alone, I can't write about her
When she's alone, I can't

Well she lives at night and sleeps all day,
She'll dance and drink her life away, but she doesn't
know who I am
She gets what she wants and doesn't quit,
She might as well get paid for it, but she doesn't know
who I am,
And she doesn't give a damn

And someday she'll know who I am
Then maybe she'll give a damn
