I've been looking out my window  
Watching the snow fall on the ground  
The red and green from Christmas lights, hanging  
around town  
And I wish that you could see what I'm seeing too

I've been counting down the days  
Trying not to get excited  
Haven't heard much of the party  
So I'm probably not invited  
But you won't be there, so why would I wanna go?

I've been good this year  
The only thing I want is you to be here  
All my gifts can wait  
I don't believe in Santa Claus  
but I believe in us this holiday

So I haven't got your letter,  
I sure hope you got my card  
Though the mailman keeps saying  
"Boy you're thinking way too hard"  
But he doesn't know what I'm feeling now  
Without you around

I've been good this year  
The only thing I want is you to be here  
All my gifts can wait  
I don't believe in Santa Claus  
but I believe in us this holiday

I thought that I was dreaming  
When I saw you out my door  
You kissed me on the lips like you have never done  
before  
I looked up for the mistletoe and didn't see a thing  
I got just what I wanted  
So what more could Santa bring?

I've been good this year  
The only thing I want is you to be here

All my gifts can wait  
I don't believe in Santa Claus,  
but I believe in us this holiday

I've been good this year  
The only thing I want is you to be here  
All my gifts can wait  
I don't believe in Santa Claus,  
but I believe in us this holiday

This Holiday  
I believe in us this holiday
