

Rocket To The Moon, A "Like We Used To"

Visit "[Like We Used To](#)" on MotoLyrics.com

I could feel her breath as she's sleeping next to me
Sharing pillows and cold feet
She can feel my heart; fell asleep to it's beat
Under blankets and warm sheets

If only I could be in that bed again, if only it were me
instead of him

Does he watch your favorite movies, does he hold you
when you cry?
Does he let you tell him all your favorite parts,
When you've seen it a million times?
Does he sing to all your music, while you dance to
purple rain?
Does he do all these things, like I used to?

Fourteen months and seven days ago,
Oh I know you know how we felt about that night
Just your skin against the window, but we took it slow
and we both know
It should've been me inside that car

It should have been me instead of him in the dark

Does he watch your favorite movies, does he hold you
when you cry?
Does he let you tell him all your favorite parts,
When you've seen it a million times?
Does he sing to all your music, while you dance to
purple rain?
Does he do all these things, like I used to?

I know, love (I'm a sucker for that feeling)
Happens all the time, love (I always end up feeling
cheated)
You're on my mind, love (oh darling, I know I'm not
needed)
And that happens all the time, love

Will he love you like I loved you, will he tell you
everyday?

Will he make you feel like your invincible with every
word he'll say?
Can you promise me if this was right, don't throw it all
away
Can you do all these things, will you do all these
things?

Like we used to
Oh, like we used to
