Dear Sweetie,  
This is my first time  
Talking about this.  
I must tell you this.  
There's a place where you can come and stay  
Whenever you can get away.  
This place is warm and sits inside my chest.  
It sits inside my chest.

You can count on me  
To wake you up today and tell you that it's all okay.  
And tell you what you like to hear,  
Just keep me here, just keep me here.

The stars are out tonight, my dear  
Have you ever seen them so clear?  
If I could, I would take you up  
To take one down,  
I'll turn your world around.  
I'd show you what it'd be like to have it all.  
I'd show you what it'd be like to have it all.  
So when we kiss, it'd be something we'll forget,  
So everytime we do, we'll feel the same again.  
Now, I can't wait to see everything you have to show.  
So now I can't wait to see you again, to see you again.

You can count on me  
To wake you up today and tell you that it's all okay.  
And tell you what you want to hear,  
Just keep me here, just keep me here.
