Evil Queen by Rockin' Rhonda & The Rhonkeys
You know
that evil woman who lives out by the mill
In that big old house right on top of the hill
Well she used to have a husband some say he was a
prince
We seen him 'bout six months ago but we ain't seen
him since

What happened to her husband
Where is her man
What happened to her husband
Where is her man

'Cause now she's got money
She lives like a queen
So damn much money
Ooooh the Evil Queen
And how'd she get to be so rich is still a mystery

One night the sheriff called the strongest men in town
Told them to meet him and bring 5 of their hounds
The men came yellin' the dogs ready to attack
They all went to her house, but only one dog came back

What happened to her husband
Where is her man
What happened to her husband
Where is her man

'Cause now she's got money
She lives like a queen
So damn much money
Ooooh the Evil Queen
And how'd she get to be so rich is still a mystery

Two days later the queen came to town
She brought back the strong men and 4 hounds
The sheriff wasn't so lucky she said 'take my advice'
If I catch you comin' round my house you won't come
back alive

What happened to her husband
Where is her man
What happened to her husband
Where is her man

'Cause now she's got money
She lives like a queen
So damn much money
Ooooh the Evil Queen
And how'd she get to be so rich is still a mystery

A mystery
