Here's 16 inch motherfucker kiss your life goodbye
Ripping you inside and making you cry
16 inch motherfucker will brand you for life
Leaving a wet mark behind you will hope you could die
16 inch motherfucker doesn't give a shit
Any living hole is good enough to be fucked & left
And when left behind you will bleed and weep
And pray for the return of this godly 16 inch meat
And when left behind you will bleed and weep
And pray for the return of this godly 16 inch meat
You have to met the messiah you have seen the future
16 inch motherfucker is the king of the kings
