At 1:00 AM I'm home while writing to you  
Its almost winter  
but its warmer then June  
With only 5 hours away from here  
and a trip I'm looking forward to-  
I think I might be seeing you soon.  
(seeing you sooooooon)

That morning I woke up on Sunday  
Next to tree tops  
Off of orange, across the way  
Happy Birthday  
I'm happy that you're here with me.  
A home with only the two of us-  
Theres no other place I'd rather be  
(I'd rather be-eeee)

Since I've met you it's all seemed right  
now I'm longing for the November night...

I've said it all,  
every word I mean,  
and I just want you back.  
I miss you.

So wherever you're at  
(wherever your at)  
I'll make you see  
(I will make you see)  
That I just want you back  
I miss you.
