"If You Believe"

Visit "[If You Believe](#)" on MotoLyrics.com

If you believe within your heart you'll know
That no one can change the path that you must go
Believe what you feel and know you're right, because
The time will come around when you say it's yours

Believe there's a reason to be
Believe you can make time stand still
You know from the moment you try
If you believe, I know you will

Believe in yourself, right from the start
You'll have brains, you'll have a heart
You'll have courage to last your whole life through

If you believe in yourself, if you believe in yourself
If you believe in yourself as I believe in you
