Be yourself and not somebody else
It might take a little effort
Maybe just a little help
But you can figure it out
If not just do what everybody else does.

Keep it on the level (thats whatt i'm supposed to)
Keep it on the level (thats the thing im told to)
I keep on gettin' in trouble
When I try to take this side of the road

Heres your hey hey hey (hey)
Heres your ho ho ho (ho)
I dont know where else to go
Theres a really fine line
Between whats yours and whats mine
Its a line that I dont wanna tow, you know
Im sick of being haunted by every cliché that I know

What ever that means
If you're so young
You never seen a limousine
You're gonna one day
Just remember never get in
Don't give up cause you know
People are gonna care
If you just start trying,
Accept every dare
If you cant make it
Baby just try failure

Keep it on the level (thats whatt im supposed to)
Keep it on the level (thats the thing i'm told to)
I keep on gettin' in trouble
When I try to take this side of the road

Heres your hey hey hey (hey)
Heres your ho ho ho (ho)
I dont know where else to go
Theres a really fine line
Between whats yours and whats mine

Its a line that i dont wanna tow, you know
Im sick of being haunted by every cliché that i know

Heres your hey hey hey (hey)
Heres your ho ho ho (ho)
I dont know where else to go
Theres a really fine line
Between whats yours and whats mine

Heres your hey hey hey (hey)
