Riff Raff: It's astounding,
Time is fleeting,
Madness takes it's toll.
But listen closely . . .

Magenta: Not for very much longer

Riff Raff: I've got to keep control.
I remember doing the time warp
Drinking those moments when
The blackness within me

Riff and Magenta: And a void would be calling . . .

Let's do the time warp again.
Let's do the time warp again.

Criminologist: It's just a jump to the left

Chorus: And then a step to the right

Criminologist: With your hands on your hips

Chorus: You bring your knees in tight
But it's the pelvic thrust
That really drives you insane
Let's do the time warp again
Let's do the time warp again

Magenta: It's so dreamy, oh fantasy free me
So you can't see me, no, not at all
In another dimension, with voyeuristic intention
Well secluded, I see all

Riff Raff: With a bit of a mind flip

Magenta: You're into the time slip

Riff Raff: And nothing can ever be the same

Magenta: You're spaced out on sensation

Riff Raff: Like you're under sedation

Chorus: Let's do the time warp again
Let's do the time warp again

Columbia: Well I was walkin down the street just havin a
think

When this snake of a guy gave me an evil wink
He shooka me up, he took me by surprise
He had a pick up truck, and the devils eyes
He stared at me and I felt a change
Time meant nothin, never would again

{chorus x2}
