Method Man:Uh
Masta Killa: Deadly Melody part two
[Method Man]
Thats my word
It aint safe no more...no more bitch
[Masta Killa]
Yo yo
Brain is punctured and drained through the nasal
Hour of assassination be upon you
Moving with the tiger strike bound gagged and shot
? the head in (not sure of this verse)
East remains hot with police
But I keep a lease for my, four-fifth automatic
Extended clip rewind, bust mine,
Anytime you reveal your snake is raising actions
Observe the magnetic attraction
[Method Man]
And its time for some grid...
[Street Life]
...iron rap, action-packed grudge match
Tough act to follow, hard copy novel throw you off the
Farasauno
We swimmin with these sharks, yo I raked body guard
Stamp my initial in your birthmark, P.L.O
Plus like a calico, tally ho
Black expo, checks in afro, we back yo,
Stole-a-mite, crash your wind pipe, with the (right to
right?)
Fatal strike, daily mic fights, shoot-out street lights
[Method Man]
Sight beyond sight, late night, city light
Tight like a virgin, merging with my aye-a-like
Splergin, dirty to the grain, no detergent
Filthy, innocent till I'm proven guilty
Submergin, deeper in the lecture I'm servin
Truth or consequences, life or death sentence
I'm hurtin, your person, I'm certain, its curtains
Chorus:
It aint nothing like hip-hop music
You like it cause you choose it
Most D.J.'s won't refuse it

Alot of sucka M.C.'s misuse it
Don't think that Wu can't lose it
Too much to gain you'll abuse it
The name of the game is rapture
This one is completely captured bass
[Inspektah Deck]
Yo
I bring chaos to blocks like the riots
