[Street Life]

Excuse me gorgeous..

Just maxin lookin for hoes y'know relaxin

Met this redbone Jasmine midtown Manhattan

Shot a verb that tranked her nerves calm words

Massaged the mentals made her pussycat purr

Sweet Love you look miraculous brown eyes passionate

High cheekboned Tommy Girl cologne you smashin it

Jump in take a spin destination Staten

I have you home by ten, Shorty started laughin

She replied, "Street, you ever ride while you drive?"

I looked puzzled, and said, "Nah baby why?"

She pressed up, grabbed my dick, threw her dress up

Cocked her legs, cold fucked my head up

Now I'm deep in it, flyin past the speed limit

Out of control, still whippin it, steadily hittin it

Deep strokin, one hand on the wheel, blunt smokin

Lovin how it feel, Sweet Love you got me open, what?

[Cappadonna]

Love is love Love, love is love Love

Love is love Love, love is love Love

We connected like a train from the first ordeal

I stepped to her with the passion as I kept things real

but like, sex was on my mind like, cum was in my pants

I flashed my fronts on her, like if I had a chance

She said, "Ain't you Cappadonna from the Wu-Tang

Clan?"

I said, "Yeah, mad gear plus the small white band

Sweet Love, I want your pussy can I be your man?

Stripped to the bare essentials let me fuck you if I can

Sweet Love, from your nipples to your pussy nub"

Sweet Love, love is Love, love is love Love

[Method Man]

It's a full moon, we in the bedroom, thoughts
consumed

by the passion, slow jam tunes and body action

My finger's on the clit splashin, your pussy lips

got you spazzin, love juices, marinatin

in your satins, sexy ass, I get some like my old dad

I love my women bad,
