You're out of the woods  
You're out of the dark  
You're out of the night  
Step into the sun  
Step into the light

Keep straight ahead for the most glorious place  
On the face of the earth or the sky  
Hold onto your breath  
Hold onto your heart  
Hold onto your hope  
March up to the gate and bid it open

You're out of the woods  
You're out of the dark  
You're out of the night  
Step into the sun  
Step into the light  
March up to the gate and bid it open, open
