Wake up Maggie, I think I've got something to say to  
you  
It's late September and I really should be back at  
school  
I know I keep you amused  
But I feel I'm being used  
Oh Maggie, I couldn't have tried any more  
You led me away from home  
Just to save you from being alone  
You stole my heart and that's what really hurts

The morning sun when it's in your face really shows  
your age  
But that don't worry me none, in my eyes you're  
everything  
I laughed at all of your jokes  
My love you didn't need to coax  
Oh Maggie, I couldn't have tried any more  
You led me away from home  
Just to save you from being alone  
You stole my soul and that's a pain I can do without

All I needed was a friend to lend a guiding hand  
But you turned into a lover and mother, what a lover,  
you wore me out  
All you did was wreck my bed  
And in the morning kick me in the head  
Oh Maggie, I couldn't have tried any more  
You led me away from home  
'Cause you didn't want to be alone  
You stole my heart, I couldn't leave you if I tried

I suppose I could collect my books and go on back to  
school  
Or steal my daddy's cue and make a living out of  
playing pool  
Or find myself a rock and roll band  
That needs a helping hand  
Oh Maggie, I wished I'd never seen your face  
You made a first class fool out of me  
But I'm as blind as a fool can be

You stole my heart but I love you anyway

Maggie, I wish I'd never seen your face  
I'll get on back home, one of these days
