I have often dreamed  
Of a far off place  
Where a great warm welcome  
Will be waiting for me  
Where the crowds will cheer  
When they see my face  
And a voice keeps saying  
This is where Im meant to be

I will find my way  
I can go the distance  
I'll be there someday  
If I can be strong  
I know every mile  
Will be worth my while  
I would go most anywhere to feel like I belong

I Am on my way  
I can go the distance  
I dont care how far  
Somehow Ill be strong  
I know every mile  
Will be worth my while  
I would go most anywhere to find where I belong

I will beat the odds  
I can go the distance  
I will face the world  
Fearless, proud and strong  
I will please the Gods  
I can go the distance  
Until I found my hero's welcome,  
Right where I belong!
