[Jay-Z]

Niggas is dead, dead I tell you, can't be serious
What you think is gonna happen
with three of the illest niggas together
Street music and so fourth on one track, huh?
Can't be serious, it's murda nigga, huh, it's Murda

Motha fuckers wanna kill me but don't got the heart
To look me in the eyes with the nine and spark
Cause whether your for or against this
When I spit with murderous intentions, everybody goes
everybody knows
The weapons I possess they not for show
And you put dresses on your weapons when you walk
out the door
See once I flash mother fuckers better do the one shot
dash
Or be one shot ass
J to the A-Y to the drive by to your hood screamin bye-
bye to you
Why would you fuck with me
Knowing I put you six feet deep and them niggas could
die wit'cha
Cock the hot pistol and pop the hot Cristal
And promise you only one thing, to not miss you
Jahova know the god that served ya
Cause dead or alive when I arrive it's Murda

[Ja Rule]

Shit I hope ya'll niggas know to lay low now
Cause thou shall perish if you don't bow down
Cause I hit em on sight, its dark dim the lights
You shot twice god bless to this the night
That alot of niggas fear the coming of their life
And you dead right be in hell looking for ice
Fuckin with Ja you bitch niggas talking shit
All on my dick you broke niggas making me rich
You gonna blaze me cause you high ripped off the
henne rock
Flow semi-hot handling me your not
Check my forte not even on a bad day you beat this

Rather beat your dick or your bitch
My flow be the sick shit, gravely ill
Niggas dying cause they know I spit like iron, nothing
but bark flyin
Flows and mics, hell and night, go together like heaven
and light
Niggas ain't seein my plight, It's alright
I let the world know I shine like ice
I bet it all I can throw a hard four in the dice
Cause I'm a gambling man, you should gamble with a
gat in your hand
Spin in barrel and put it to your head
Cause we don't dance no more all we do is cock and
spit
Dedicated to giving you nothing but thug shit
Think we playing, you undoubtable fall further
Fuckin with I N C is Murda

[DMX]

I'm a cruddy nigga, goin raw-doggin dirty bitches
and if I get burnt, I'm givin that shit to thirty bitches
You say you know a nigga like me, guess again Poppy
I might smile up in your face but I ain't your friend
Poppy
Jump out the fifteen hundred like runnin, niggas don't
want it
Get it, Done it, when I'm blunted
However it went down, I made it happen, made it
scrapin
I made it fussin, bustin, I made it cappin
And lettin off wasn't nothing new to a nigga
Something to do to a nigga, Cause you is a fool nigga
I know your type, you hype, all up off that fake shit
You can't understand why a man would have to take
shit
Or steal shit, but this is that real, niggas kill shit, peel
shit
I hit you in your head you won't feel shit!!!
URRUURRRR.....
Let the dogs lose on a niggas ass
Find out if the niggas faster then the trigger's blast
A fucking snake in the truest form
Knowin damn well that what I do is wrong, plus what I
do is strong
Niggas is makin movies so i gots to stop production
I need a block to function and maybe I'll stop destructin
The blocks is not for frontin, So let me get that shorty
Cause you don't need that shorty
you don't know what to do with that shorty
You might as well hit this 40, before you hit the floor
Another 24, What you want, Money, More!?!

Them niggas did it raw, with no condom
You find em, sayin sorry he for what he said before I
blind them
Get the flame out the four fifth, and there aint gonna
be no more riff
Dog you want a floss tiff, but would of made it to the
door if
Bullets travled alot slower, and you ran alot faster
But they don't and you can't so don't think about after
Cause tomorrow ain't comin, so stop runnin
cause you gonna die like a sucker
Murder Motherfucker!!!

Uh!, where my mother fucking dogs at, Uh, Uh
My nigga Jigga, My dog Ja, Irv Gotti, Rough Riders, Def
Jam
Where my dogs at, Top Fight Uh, Where my dogs at
Hold me down baby, Hold me down baby, Hold me
