She just a bad bitch nothing like a hoe
She just a bad bitch nothing like a hoe
She gone
She just a bad bitch nothing like a hoe
She gone, work, fly, cash
She just a bad bitch nothing like a hoe

Could cool ass friends so you know it's me and you
Before the night ends girl
You know I'm here for a night or 2
It's nothing... night in 2
Champagne what she sipping on
... khalifa papers...
... can't turn them off, I'm nothing like yo
And her heels, taking her clothes off, that's murder ma
Feeling all that it's like a sex scene
I know you feel me cause you rock like a jet ski
I'm in the game... hating on the game I read it all in
they timelines
... respect none of that, and you don't even you say it's
gang gang I fuck with that
Flid nigger threads what they done there, something
smell funny
What they done, shit

She just a bad bitch nothing like a hoe
She just a bad bitch nothing like a hoe
She gone
She just a bad bitch nothing like a hoe

She gone, work, fly, cash
She just a bad bitch nothing like a hoe

We gonna try to land low, these niggers be lying crooks
... and all that shit in their rhyme books
We just run it cool, niggers drooling too much
They really eating that all, we breakfast dinner and
lunch
Fool, and she bad, she caught a nigger eye
I ain't tripping on you baby, I just thought... track
Your face so pretty and your body so crazy
You... couple shots... skating

So... we gonna make a song
We can smoke a couple papers or just hit it on the...
Cause tonight baby I ain't got long
So just hit it like that song from Marvin, let's get it on

She just a bad bitch nothing like a hoe
She just a bad bitch nothing like a hoe
She gone
She just a bad bitch nothing like a hoe
She gone, work, fly, cash
She just a bad bitch nothing like a hoe
She just a bad bitch nothing like a hoe
She gone, work, fly, cash
She gone, work, fly, cash
She gone, work, fly, cash
