I feel like a desperado, on the track I just kick it like rilo?

See me on the TV yeah, I be in grind mode But please believe I'm in the streets like pot holes Antonio no guitar though, only instrumental is that pistol Need a right hand so I f-cks with chevy
And underneath the wings so I hustle heavy
Tatted on my face, chest, neck, hand, stomach
Been on that paper chase since that cake start running
Never touched the brick, I aint never slung no drugs
Still get a feeling when I see that gold car coming
Got my pops old soul, I'm an 80?s baby
Moms smoke hella weed I'm a wavy baby
You Mr Me Too, and you need fuel man
You n-ggas see-through, air

[Chorus]

I never sleep but I got big dreams
lil nigga I do big things
You know its everything that it seems
They say my life is like the big screen (big screen)
I fill my bank with every 16
My money straight and my bitch mean
You should wait and get a ticket please
They say my life's like the big screen (big screen)
