You know what's on my mind  
And why I'm always on the grind  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine  
Young Khalifa's the name  
Plus you gonna remember one thing  
That I'm 'bout mine  
That I'm 'bout mine  
[?] do what you do  
Haters: you do what you do  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine  
What we do in the game  
[?] doin a damn thing  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine

[?] the youngest in charge  
Known for the hottest in rap  
Straight from the top of the map  
Yes, I'm a popular cat  
Been to the pits of The Burgh  
To the left, cocked as my hat  
Wiz keep a spliff for the herb  
Niggas with knots full of stacks  
And I ain't talkin' to cats  
I'm overdosin your brain  
Go for the dope in this game  
Broke when the flow is insane  
I'm like the, young Shaq of rap  
[?]  
[?]  
Man, I'm controlling the game  
And I'm bout mine  
Tell you on your grind  
But it's about time  
Outshine haters so the paper  
Begin to mount right  
Bout mine  
Lay it down, homie you'll get out-rhymed  
On the track, or flat on your back, you'll get out-lined  
Keep the goonies with me

Never leave the crib without mine  
And no I ain't talkin ya game  
When I say I'm bout shines  
I'm talkin dollars, guy  
Here's what you should follow by,  
Young [?], dumb hat, hand a nigga bout mine [unsure  
about line?]

You know what's on my mind  
And why I'm always on the grind  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine  
Young Khalifa's the name  
Plus you gonna remember one thing  
That I'm 'bout mine  
That I'm 'bout mine  
[?] do what you do  
Haters: you do what you do  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine  
What we do in the game  
[?] doin a damn thing  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine

See, I'm a boss to you cats  
And here my job is to rap  
Spittin' flame to make ya damn sho you lames fall to  
the back  
It's a shame I'm here now, so for your squad it's a wrap  
It's the gritty-city that strong-armed onto the map  
More than a rapper, in fact  
Man, you fuckin' with the finest here  
The best one that's rhymin' here  
So I guess I'm a pioneer  
No question, I'm fly as air  
I'm high, but I'm sittin' low  
A blast  
So if you niggas gotta ask, then your bitch'll know  
Sicker flow  
Short change nigga  
You need bigga dough  
You recall that moment,  
Shit I'm a bigger picture, pro  
You niggas simply spendin chips on these pros  
I'd be right to call you a pimp  
Cuz your niggas is hos  
You see me a little different  
Though you [?] for these hos  
I had them pigeons in my crib  
Just washin dishes & clothes

You know it's  
The young wise-guy  
Grind with my eyes wide  
I [?] stop to rewind  
[?] ahead of my time

You know what's on my mind  
And why I'm always on the grind  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine  
Young Khalifa's the name  
Plus you gonna remember one thing  
That I'm 'bout mine  
That I'm 'bout mine  
[?] do what you do  
Haters: you do what you do  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine  
What we do in the game  
[?] doin a damn thing  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine

If you talk chores  
Never let another nigga doubt yours  
Life is full of lessons and them blessings,  
Better count yours  
Watch out for the haters  
Cuz your paper's what they out for  
Be a boss,  
Not just another loss to account for

And the flow, shit  
You know Wiz gonna split line-for-line  
And this nigga get so rich  
Gonna hold shit  
And I keep tellin' you time-and-time  
Again, [?] and [?] focused  
Movin' so quick  
Slow up  
[?]  
[?]  
[?]

You know what's on my mind  
And why I'm always on the grind  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine  
Young Khalifa's the name  
Plus you gonna remember one thing  
That I'm 'bout mine

That I'm 'bout mine  
[?] do what you do  
Haters: you do what you do  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine  
What we do in the game  
[?] doin a damn thing  
Cuz I'm 'bout mine  
Cuz I'm 'bout mine
