[Verse 1]

Standin' on the couches blowin' on some ounces  
Shit from out the country can't even pronounce it  
Another 100k I got that all from tourin'  
Throw it in the air just to let em know im ballin'  
Get the hotel treat it like its residential  
Classic wit no diamonds in my presidential  
Take a look at me and you can tell im paid  
Makin all these faces no stevie j  
Smokin weed, my hoodie and my leather on  
I got a mill just need some shit to bet it on  
I got some tree to smoke so they gone let us burn  
The waitress bringin bottles im just yellin church  
Standin' on the couches blowin' on some grass  
These niggas talkin' shit but hate will never last  
Look at my section vip we showin class  
Kush in every joint pierre jouet in every glass

[Hook]

You know im about that shit  
Niggas hatin every day thats why they doubt that shit  
If we smokin need a ounce of that shit  
And I never ever leave the crib without that shit  
You know im about that shit  
Niggas hatin every day thats why they doubt that shit  
If we smokin need a ounce of that shit  
And I never ever leave the crib without that shit

[Verse 2]

You know im about that  
Ain't never worried bout fallin off cuz ima bounce

Uh, where yo ounce at?  
You talkin bout yo fuckin car but where house at?  
Yea, im gettin cheese thoe  
Walk up in the club they treat me like im nino  
Uh, sippin moet  
Got a couple cars that I ain't even drove yet  
Yea, wheres the champaign?  
Told my jeweler put some diamonds in my damn ring  
Club lookin dry make it rain for em

Face another drink call that a brainstorm  
Tatted from my feet up, vip we meet up  
Gotta pour some liquor, gotta roll some weed up  
Then feel are face we get are plates and eat up  
Keep bringin ace this ain't a race but if it was we'd  
be first place

[Hook]

You know im about that shit  
Niggas hatin every day thats why they doubt that shit  
If we smokin need a ounce of that shit  
And I never ever leave the crib without that shit
