yeeuh
or should I say yaa
shout out my nigga Sledgren (Sledgren, 55) my nigga
Artie
You already know man, keepn my poppn up in them
magazines face all over the place
I know you see it
Prince of the City 2, E you ready?

Im looking for a buss down

chorus
Everytime i hit a city If you ever see her with me and
she rollin then she gotta be a buss down (buss down)
And she get it like a pro aint nobody gotta know
Hell no she aint a hoe, she a buss down (buss down)
A couple swishes feelin right
Yeah i hope that aint cha wife because tonight shawty
lookin like a buss down (buss down)
Say she know me im the man I understand she wanna
ride with the camp then she gotta be a buss down (buss
down)

When I touch ground (ground) i need a line of them
bussies when I come round
riding but its soft leather seats in my truck now (now)
they throw it at me got receiving for da touchdown
she gotta be a buss down, ray got my cigarillo smelling
right tell her what its sitting for
and I aint gotta tell her twice (nahh)
and its going down tonight aint got the time to take you
out
im only in town tonight fuck the wait im bout to crush
now (now)
I got her start struck heard that I just signed a major
deal im getting star bucks (yeeuh)
I gotchu going ballistic trying to get back to my tour bus
Hope you brought a couple of your friends here witchu
because its more of us

hoochie hoes be boring us, she gotta be about it (bout
it)

got any once of attitude then i can do without it (out it)
she gotta be a short fine thick fine knock a whole click
down go hard work a day job on a week and she a buss
own (buss down)

(chorus)

Its a must now, you in here with your man its time to put
them cuffs down,

Say you aint with cheatin got you creepn on a hush now
(now)

You never smoke before, I gotchu hitn blunts now,
Watch your average nigga holla at you and you shut
down, know exactly who I am (am) she put her front
down,

Flyer than a motherfuckn nuttn but that newness
(newness)

No she a buss down, no she say she dont usually do
dis (do dis), You're borderline exclusive thats why you
off in my new shit (yeuh), that body get you what you
want, and you know how to use it (yaa)

All i do is tell them who I am and bitches lose it (lose it)

I'm all about my paper dog she in love with my music,

All eyes on me (me) I feel like I'm the new kid,

A zombie I make her give me brains til she stupid

(stupid)

And if she aint a certified ride or die, gotta mean back
side, let me and my team hit it right, then I turn her into
a buss down (buss down)

(chorus)

This for all my buss downs from here to over there

You dug, or you see me, wave hi then bye, not much
conversation in between

sledgren (yeeuh)

Its Young..Whiz.....Khalifa man (buss down)
