[Intro]

Fall asleep

Fall asleep

[Verse 1]

I got a crib so fat that

You'll get lost in that bitch

I got a car so fast that if I push one button, you won't  
see nothin'

I got a feelin' that if it wasn't for me it wouldn't be a lot  
of you niggas

Well copy this then

Spend a million, count another million boy

[Hook] x6

Fall asleep

[Verse 2]

I woke up in Hawaii today

For real, I hold dope

None, these little young niggas try me today

Uh, cause between all of these closets and all of these  
boxes I got

Ooo, I got so much swag

That the people at the airport don't even wanna touch  
my bag

Only nigga in first class

[Break]

Fall asleep

Fall asleep

Fall asleep

And I roll that weed and get baked off

Before the plane even take off, nigga I

Fall asleep

Catch me on the road gettin' money

I'm in a whole different country by the time I

Fall asleep

Fall asleep

[Verse 3]

I'm flyer than most of 'em  
They try and hate, but most love 'em  
Them dollars, got most of 'em  
Thanks to who supplyin' what I'm rollin' up  
All this kush in my mind got me slowin' up  
Don't gotta smoke, I get high enough for both of us  
Get a O and blow and get another O and blow another  
O

[Hook] x10
