Well, I'm gonna make a lot of money, make a lot of money\*  
Then I'm gonna quit this, quit this crazy scene!  
Well I'm a quit this crazy scene  
Cause being famous ain't all what they make it to be  
But back then y'all this was my favorite dream  
But now, I wouldn't hesitate I would leave  
Cause I'm a  
[Chorus:]  
Make a lot of money  
(Make a lot of money)  
And I'm-and I'm gonna quit this, quit this  
(Quit this)  
Crazy scene  
Oh, well I guess got problems,  
I dropped out of school  
Ain't think about college.  
So my apologies to my mother and father  
To be a stubborn ever since I was a toddler.  
Well I'm a quit this crazy dream  
Cause when I hit the stage all the ladies scream  
And when I pass by they all waving at me  
But I be getting tired, y'all pray for me.  
[Chorus:]  
Make a lot of money  
(Make a lot of money)  
And I'm-and I'm gonna quit this, quit this  
(Quit this)  
Crazy scene  
Oh yeah, you said it could be worst?  
Oh here, step into my shoes,  
Put yourself in my shirt!  
I'm only human y'all so we all gotta work  
But sometimes I wonder why I even came to this Earth  
I'm a:  
[Chorus:]  
Make a lot of money  
(Make a lot of money)  
And I'm-and I'm gonna quit this, quit this  
(Quit this)  
Crazy scene  
Sometimes I just feel hopeless

Pacin' back and forth, man I can't even focus  
So I'm always smokin' in the booth recordin'  
Cause my mind races  
Like Jeff Gordon  
I'm a  
[Chorus:]  
Make a lot of money  
(Make a lot of money)  
And I'm-and I'm gonna quit this, quit this  
(Quit this)  
Crazy scene  
It ain't supposed to be so hard  
I always said I'd quit if it felt like a job  
I'd rather be pissed than pretend that I'm not  
And try to play along with the whole facade  
I wanna:  
[Chorus:]  
Make a lot of money  
(Then I'm gonna)  
And I'm-and I'm gonna quit this, quit this  
Crazy scene.  
It ain't a question to me  
Look at me  
I know what I'm destined to be  
This is spiritual y'all  
I'm wrestlin' beasts  
But pretty soon  
I'll be restin' in peace  
I'm a:  
[Chorus:]  
Make a lot of money  
(Then I'm gonna)  
And I'm-and I'm gonna quit this, quit this  
Crazy scene.  
Come y'all, y'all actin' like I can't feel you  
I can look in your eyes and tell you what you done been  
through  
And I could give a fuck because I got bigger issues  
So at this point in my life  
How can I get through?  
[Chorus:]  
Make a lot of money  
(Then I'm gonna)  
And I'm-and I'm gonna quit this, quit this  
Crazy scene.  
Look  
A lot of haters attack but  
It's my job to speak the truth on the track  
So say what you like, you just givin' me gas  
So by now, I got enough to drive to Venus and back  
So I'm a:

[Chorus:]  
Make a lot of money  
(Then I'm gonna)  
And I'm-and I'm gonna quit this, quit this  
Crazy scene.  
Oh, how can I not?  
... niggers the game, when game is all I've got.  
The car of your dreams we're pushing off the...  
I'm smoking the most expensive pot.  
Baby I'm trying to:  
[Chorus:]  
Make a lot of money  
(Then I'm gonna)  
And I'm-and I'm gonna quit this, quit this  
Crazy scene.  
Well, I'm not quitting,  
I bought my niggers...  
Trying to tell them before  
For some reason or another  
They will not listen,  
Tell the driver we smoke and raise the bar...  
[Chorus:]  
Make a lot of money  
(Then I'm gonna)  
And I'm-and I'm gonna quit this, quit this  
Crazy scene.
