[Wiz Khalifa]

Money, money, money  
It's young Khalifa man  
And I got money, hoes, money and hoes  
I got money, hoes, money and hoes

Big money talking to you  
Muthaf-cker thats cause big money bought it to you  
I'll be stuntin while them little n-ggas sayin' nothing

[Wiz Khalifa - Verse 1]

High ceilings, high hoes, high prices for my clothes  
and I don't even pay for it  
Barely no major shit  
Need a bitch, take a bitch, straight back to that big crib  
Let you roll some rapper weed, put you on some new  
shit  
Hit this weed, I show you how I do this  
My excuse is I'm in Cali so my smoke's highly exclusive  
And my bitch bad, my money's through the roof  
Your money short you looking mad  
You Danny Bonaduce bitch  
I'm jumpin' in my coupe  
I'm rollin' something that taste like fruit  
And I hear them n-ggas talkin' shit  
but theres nothing much that they can do  
When I got a bitch in your city, you should try when you  
see her  
Never trippin' on no hoes, n-gga  
what you thought we gettin' money over here

I'm ballin' hard, my n-ggas in the same game  
I do it big my n-ggas do the same thing  
I'm throwin' signs, it's looking like I gang bang  
I'm on the team, it's lookin like I gang bang  
I'm rolling up, my n-ggas roll the same thing  
I'm smokin' weed, my bitch smoke the same thing  
I'm throwin signs it's looking like I gang bang

[Big Sean]

I tell a bitch bow down to a muthaf-cking G hoe

I work hard, I drink slow  
But I never keep drinks low, smokey smokey cause I'm  
a cheapo  
Sippin' on Pinot Grigio, really hoe,  
got everything like I got me a genie hoe, yeah  
My car look like a building, diamonds dancing on top of  
my wrist  
Bitch I'm ten feet tall when I'm standing on top of my  
dick  
You a sucker hoe, sucka hoe  
I'm success, I feel like a million dollars, bitch I'm up  
next  
Money in my hand, I don't need no hand out  
And they all got their hands up cause they f-ck with me  
hands down  
And the car I push got more tent than a camp round  
And my picture always on your bitch background  
Like Prada, it's just me and Cyhi  
Young enough to be your son, but she call me big papa  
She gave me her oh nana, now disappear like tada  
She smoking on that Tada, now who the f-ck gon stop  
her

[Wiz Khalifa]
