they say this boy is sick & they cant diagnose my
symptoms

went n seen the doctor try ta find me a prescription told
him since the early teen all i sees the color green he
say that ant nothing wrong probably wasn't listening

listing outa town any where that paper
be. grandma tell me ta go ta church
some body need to pray for me
so i leave n go n see the preacher
he say holy smoke see im nothing like you my pockets
got the holy ghost

from the side of town where you can get it for the
shorty loooooove

talk about a price tag every things affordable & my
homie told me you a
nigga be a rich one why you on your ass?
ya ant got no money
get some!

if the streets know anything about me
they know im the bomb different city every night im a
star star

& i dont mean to be on it but i want it all it all so if the
streets know anything about me they know ima bomb
every night a different chick in my car

n i dont mean to be on it, but i want it all it all

i wake up, and think of how to get my paper, then roll
some n think ta say hi to all you haters no teacher can

school me im smart but not a scholar shhit if i was a
book id be all about the dollar

i never had a job or something of that nature ive been
hustling since the club had ah buss like a pager ya
straight from the crack bin im on one thats narrow
chasn that my chavo that mucho duaniro

fresh like a pharo, my clothes come from kyro. my beat
kick like bruce lee my voice like from karo like kyro and
aint afrade to spin it, i mean im gettn money if u aint
got george get it.
