Foot on the gas

I am fast Living, Picture me, I aint have no pot to piss in

Now I am checking bags, cheifing hash with politicians

Helicopter feds I am .. to get to know ..

I don't want to brag but you ain't tried to hear about

The money drugs and women that I wanna ask

Smoked so much that I am going brain dead

Whores are made of me cause my phone ..

I tell her wow slow down baby... lady

You drive by I ...it's a couple of paper plans

Broadcasting my name over internet

Airways bitches .. on twitter put my music on my space

If you smoked the role and played this I'm gonna hustle
