A long time ago  
I grew up on a castle  
By a wise Hagr  
My life was for told

A warrior for god  
A slave to the church  
My aim is to serve  
Not to rule since my birth

I see the world  
With other eyes  
My friend is a bletzer  
So old and wise

He told me the truth  
About my live  
A man of the night  
Borned to fight

[REF:]  
Inside my heart light is apart  
Anger and hate is my fate  
Betrayers around me there is no trust  
I am the loser of the dark

I learned to fought  
For the holy church  
An immortal warrior  
For the glory of god

My passion was fighting  
Raping and killing  
Those who are wrong  
With the false belief

They call us immortal  
A brotherhood of death  
The lost survivor  
Of a holy race

I trust them all  
My father, my mum  
Now I now  
They are all betrayers
