Shawty Make Me Feel Like We Fuckin On Tha Pill
Shawty-Shawty Make Me Feel Like We Fuckin on Tha Pill

[Kev Tha Hustla]

So Baby Come Fly Wit A Nigga Who Space Surf
She Know How To Dive She Don't Jump It
Face First,

I Let Her Log On And Play Wit My Laptop ,
We So High Up Hands Feelin The Backdrop,
I Roll A Bat She Catch Balls Like A Backstop,
D-12 Baby And Ya Man Juss A Matchbox,
I Get Cash Really Honey This Is Me
I'm The Drug She Tha Plug, She In Love With Tha D,
Never Give It To Her Raw, No Cs Like Tha Weed ,
So Don't Be Blind To The Fact,
Baby Girl Come And See, I Get Money Wit An Attitude
That's Mad Cash
But When You Walked Passed, I Was Like Damn!

She Want Me To Give Her My All
I'm Talkin One Night, No Feelings Involved,
Early Morn No Passion, Show Her My Flight School Skills
No Crashin.
