hey girl whats your name
im very very glad you came
your such a beautiful thing
hey girl what you say
im very very glad you took the time
your such a beautiful thing

hey girl wanna let you know
whats going through my head while im staring out this
window
but everytime i try to find the words to explain, i fail
hey girl heard your story before
your parents don't get it and your boyfriend is an A-
Hole
and going to work in the morning drives you insane, I
know
so you like to kick it with the bad boys
hoes like your flipping for the Tabloids
fros out making niggas fast foward
i'll just be an other cool kid that past on

and no matter how hard i felt
played the best way i can with the cards I've delt
for the day i can say its nice to meet you
wait till next time I see you, ima say
hey girl whats your name
im very very glad you came
your such a beautifull thing
hey girl what you say
im very very glad you took the time
your such a beautiful thing
hey girl are we compatible
i like tarantino flakes and a long talks and im a vergo
its so much that i thinkin nothing to say
hey girl its been a month or so
and I've been on the road singing songs flyin solo
when i go to sleep
your the girl in my dreams
so i got your picture on my mac book screen
save her somethin about this age its just like me
shorty got flavor like my favorite ice cream
and ima scoop her one day and make her life change

to then im like dang

and no matter how hard i felt
played the best way i can with the cards I've delt
for the day i can say its nice to meet you
wait till next time I see you, ima say

(X4)

hey girl whats your name
im very very glad you came
your such a beautifull thing
hey girl what you say
im very very glad you took the time
your such a beautiful thing
