It's holiday season, b\*ych  
Whatup Jerm? It's Cabin Fever

[Hook: Wiz Khalifa]  
Hundred bottles we poppin'  
Probably won't even finish it  
Ya'll niggas just be talkin  
My niggas really livin it  
Pussy niggas be targets  
Point 'em out and we hittin them then  
Spending all of this money  
Just to say that we did this shit  
Just to say that we did this shit  
Just to say that we did this shit  
Hundred bottles we poppin'  
Ya'll niggas just be talkin  
Pussy niggas be targets  
Just to say that we did this shit

[Verse 1: Wiz Khalifa]  
Hahaha, ooh  
I made it in I hope I make it out  
Just bought a pound, bout to bake it out  
Put a hundred in bout to take it out  
(Put a hundred in bout to take it out)  
Goin down like mayday while I'm rollin up that KK  
You smoking, you know that I got it  
Dope there's no two ways about it  
Rolled up a car full of soldiers  
Club owners know that I'm bout it  
Niggas keep talkin' and hatin'  
Ain't my birthday but I'm cakin'  
Sayin' that we fam no relation  
Ain't in that line that you wait in  
Drinkin' my eyes like a Asian's  
Smokin just like a Jamaican  
Take all that time that you wastin'  
Porsche 911, persuasions  
You need that motivation  
That big boat on location  
Rollin' up medication  
Gettin' money conversations

[Verse 2: Problem]

You know you wanna hop up on this dick ho (tweak)  
Joint full of bomb, bout to explode (tweak)  
Molly got me on another zip-code (tweak)  
Takin' shot after shot, bout to get low  
Ground pound with the wild out  
Money talk I just dialed out  
Fresh man, so styled out bitch, don't you see this?  
If you lookin for a genius?  
Dirty money hit the cleaners  
Gin got me leanin', Wiz I'm through this time I mean it  
When I talk I really mean it  
If I ain't done it I done seen it  
Bitch we on you best believe it  
Way to bring a brick of singles  
And way more shams though  
If you ain't tryna ball what you playin' for?
