Chorus:

And they think they know you
till one day they show you,
so no matter what they say I go hard.
And I think itâ€™s over, but itâ€™s never over
â€™ cause you now you think Iâ€™m down I go hard.

Get up itâ€™s that bitch card, been here before
but donâ€™t even let them see you at the ground
dues that you gotta pay, and people that you gotta say
so donâ€™t ever let them see you on the ground

Chorus:

And they think they know you
till one day they show you,
so no matter what they say I go hard.
And I think itâ€™s over, but itâ€™s never over
â€™ cause you now you think Iâ€™m down I go hard.

Yeah yaâ€™ll, hey yaâ€™ll
dangerous thoughts mine of a malicia
bottles at the one fifty poured over twisters
broke in boons the pillers stack now is the illest
the biggest land feel as we creep like..
love raises, dirty guns with a few bodies,
if this niggas tired of walk again, from the fucking
shawty
six sin, six pack, six degrees just..
my evil thought our blinks with no hesitation
thus back spoon fools the sugar help the metty
go down smooth and steady growin the green deadly
and weed pops isolated of hash bricks
and me left stuck in this arm doubt of the bad face
we still rock, still ride cross in the stove
God breath back in the days as growing some more
true packs back, my glockâ€™s fat after the guns
spoke
youâ€™re screaming where my block at

Chorus:

And they think they know you
till one day they show you,

so no matter what they say I go hard.
And I think itâ€™s over, but itâ€™s never over
â€™ cause you now you think Iâ€™m down I go hard.

I go hard like is ..bacteria

I go hard earble T kid the cleanser,
I go hard LA the white hour,
lungs pounding hard too much smoke in the..
fire plus iron evaporates the enemy
Jason stat hammer mechanic all mechanically

I go hard like you never thought I could
run swing with the hammer the nails in the wood
my iron fist the story take a look I think you change
your..
veninous and dangerous

Chorus:

And they think they know you
till one day they show you,
so no matter what they say I go hard.
And I think itâ€™s over, but itâ€™s never over
â€™ cause you now you think Iâ€™m down I go hard.
