[Verse 1: Wiz Khalifa]

It's the champagne pourin'
Big joint rollin'
Bombay sippin'
No blunt smokin'
Bad bitch gettin'
Thick & she got some friends with her
I take 'em out pourin' shots of liquor
Drinkin' out the bottle, smilin' in all my pictures
The marijuana loud so them hoes follow like Twitter
Nigga, you know everything Taylored
Don't rush to the bar fool, if you ain't got no paper
That's the rules, high as fuck, sloppy drunk when I'm
passin' through
Rollin' doobies up, your hoe who we pass 'em to
Hit the club spend this money up, roll another one,
drink, act a fool
That's what I have to do.

[Chorus:]

See after drinkin' champagne all night
Never worry 'about a damn thing, y'all might
Homie I'm On My Level, yeah
I'm On My Level, yeah
I'm On My Level, yeah
I'm On My Level, yeah.

So let me take one shot to the brain
And I order 3 more shots
I'm goin' in, hey
I'm On My Level, yeah
I'm On My Level, yeah
I'm On My Level, yeah
I'm On My Level, yeah.

[Verse 2: Wiz Khalifa]

Spent a couple dollars on my engine
Motor roarin' when I back out the garage
Gin got me drunk as fuck stumblin' out the bar

Plus I'm strugglin' tryin' to find the keys to my car
'Cause I be goin' hard, roll the camera
Life just like a movie, I'm the star
Wish you was in my position
You too broke to play the part
Of course I keep some bad girls with me in the back
Sippin' Rose with some hash twistin'
All about a dollar, my team in the cash gettin'
Straight out the burb, when we drinkin' we smash
niggas
So when I say I'm ballin' that don't mean that I'm playin'
mate
All my diamonds talkin' you can see what they sayin'
mayne.

[Chorus:]

See after drinkin' champagne all night
Never worry 'about a damn thing, y'all might
Homie I'm On My Level, yeah
I'm On My Level, yeah
I'm On My Level, yeah
I'm On My Level, yeah.

So let me take one shot to the brain
And I order 3 more shots
I'm goin' in, hey
I'm On My Level, yeah
I'm On My Level, yeah
I'm On My Level, yeah
I'm On My Level, yeah.

[Too \$hort:]

In the middle of the night, early in the morning
From the streets to the sheets with some freaks, I ain't
yawnin'
I'm wide awake, we ain't eatin' & we ain't sleepin'
These bitches so high man, we ain't even speakin'
We just freakin'
You rollin' with short dog baby
She was high on that pill so I fucked yo' girl
Come to my house I give 'em everything they wantin'
I might not do it, but I give to your girl
Cocaine, mushrooms, ecstasy, GHB, marijuana
She can suck it if she wanna
I got tequila, Ciroc & 2 freaky friends
And it's a Wednesday night, this ain't the weekend.

[Chorus:]

See after drinkin' champagne all night
Never worry 'about a damn thing, y'all might
Homie I'm On My Level, yeah

I'm On My Level, yeah
I'm On My Level, yeah
I'm On My Level, yeah.

So let me take one shot to the brain
And I order 3 more shots
I'm goin' in, hey
I'm On My Level, yeah
I'm On My Level, yeah
I'm On My Level, yeah
I'm On My Level, yeah.
