Till the law come n get us
And a nigga goin hard dog
So ya'll ain't fuckin with em
Know y know y
Cus I'm that nigga

Aye aye and u ain't heard otherwise,

But never felt the need to fall back,
Niggas gettin all that, sum coming taking all that,
Now your fam a big fan of the tall cat,
An my pittsburgh tat match the ball cap,
Hatin n all that will getcha ass nowhere,
An if I'm n the spot guarentee I'm blow there,
My future is so clear, the sky is the limit,
They hear me rappin say this young guy here is gifted,

Young motherfucker that's alive an is kickin,
Fire a spliff an roll another siwsher,
You ain't gotta ask about me u know I'm that nigga
