Niggaz know

Them hoes wearin their best clothes
And I prolly fucked your bitch nigga
Real shit

[Chorus:]

We never know
Away we go
We suppose to go go
We suppose to go go
We never know
Away we go
Like we supposed to go go
I always keep one rolled
I keep one rolled
I keep one rolled
I keep one rolled
I keep one rolled
In the cut, in the cut, rollin doobies up
In the cut, in the cut, rollin doobies up
In the cut, in the cut, rollin doobies up
In the cut, in the cut, rollin doobies up
Wake up bake up
Gotta get my cake up
In the cut, in the cut, rollin doobies up
Choked out loced out blowing hella smoke out
In the cut, in the cut, rollin doobies up

Rolling all this weed I am holding
Thinking she high before before she get the chance to
smoke it
Blowing o's she knows my dreams potent
Man at home you living for the moment
Coming for the game, I run it, I own it
Kush and orange juice be the components
Come to my crib see money so big you cant fold it
This is how I live
She poured her a lil gin
Then order her another due
before she was finished man freaky got super lubed

[Chorus:]

We never know
Away we go
We suppose to go go
We suppose to go go
We never low
Away we go
Like we supposed to go go
I always keep one rolled

In the cut, in the cut, rollin doobies up
In the cut, in the cut, rollin doobies up
In the cut, in the cut, rollin doobies up
In the cut, in the cut, rollin doobies up
