Count another grip, smoke another zip
Yet them young niggas tell it I be on my shit
Make a hundred k, spend it all today

What can I say, my DNA is Givenchy
What my swag is, retarded, what I'm driving, Ferrari
What I'm rocking, Armani, Gianni Versace, huh
Fuck around and I'll buy one of you broke niggas
My change, insane, my chain, oh, that thing

It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing

Stackin' cheese till my bread right
Smokin' weed till my head right
Did it all on my own so
I'mma spend all my bread like

It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing

Stackin' cheese till my bread right
Smokin' trees till my head right
Did it all on my own so
I'mma spend all my bread like

It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing

You niggas chasin' money, I'm on top of it
If it ain't money, don't know what the topic is
Don't come out till next year that mean I'm rockin' it
Order thirty seven bottles call it poppin' shit

Goddamn, what you on?
A private plane, fuck you, on
Party in south of France when it's cold
Used to rock all that old shit till it got old

It's nothing, it's nothing, it's nothing, it's nothing

It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing

Stackin' cheese till my bread right
Smokin' weed till my head right
Did it all on my own so
I'mma spend all my bread like

It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing

Stackin' cheese till my bread right
Smokin' trees till my head right
Did it all on my own so
I'mma spend all my bread like

It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing

My hair longer than your girl, go shawty, it's your world
Sub zero flow, when I spit, I see snow flurries
Scarface, all out, all I want in this world
I mean all I want for lunch is a blunt and your girl

It ain't nothin' to me but it's somethin' to you
Count money like it's somethin' to do
Summer time I'm like fuck the roof

Winter time I'm in 'Lo boots and uh, it's nothin'
I like being high because it's a better view
And I told your ho my chain so cold it's on Theraflu

It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing

Stackin' cheese till my bread right
Smokin' weed till my head right
Did it all on my own so
I'mma spend all my bread like

It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing

Stackin' cheese till my bread right
Smokin' trees till my head right
Did it all on my own so
I'mma spend all my bread like

It's nothing, it's nothing, it's nothing, it's nothing
It's nothing, it's nothing, it's nothing, it's nothing
