[Wiz Khalifa - Verse 1]

Um, it's hardly a secret  
you aint gon stop tryna get where you going until you  
reach it  
always had them bars back in the day  
when the same ones running up on you wasn't  
speaking  
look at all your achievements  
you work hard so it'd be kinda hard not to believe that  
you party every weekend (weekend)  
f-ck em all who act like they aint see it then  
all them nights on the plane  
buses n-gga too, had to charge it to the game  
always want to start em in the fame  
learn to out smart em  
and now it aint no stopping the champagne from  
poppin'  
the draws from droppin'  
us seeing muscle cars and coppin' em  
started off just a little less popular

[Chorus]

Now you got a new place  
you drive a new car  
you stop all the cameras than life like a superstar  
don't care what they say  
you reach for the stars  
got everything you always dreamed or thought about  
and everyone knows who you are

[Wiz Khalifa- Verse 2]

Never gets boring  
and haters in your face you just ignore 'em  
don't know what they talking sh-t for  
seems n-ggas get there's you just tryna get yours  
therefore, you left all the people you care for  
hopped on a plane and got airborne  
seen all the bullsh-t and fell for it  
but it's all good now  
cause the same ones that talk sh-t telling everyone you  
made it  
then you start seein' hoes you dated

then thoughts started getting jaded  
now your life's sort of different aint it  
(?) scars what your paint is  
but was it all worth, it's just painless  
say you wanna be famous

[Chorus]

Now you got a new place  
you drive a new car  
you stop all the cameras than life like a superstar  
don't care what they say  
you reach for the stars  
got everything you always dreamed or thought about  
and everyone knows who you are

are, are, are, are, are, are, are,  
are, are, are, are, are, are, are,  
who you are  
are, are, are, are, are, are, are,  
are, are, are, are, are, are, are,  
who you are

[Wiz Khalifa- Verse 3]

Always knew I was this good  
but never knew I'd be this good  
them n-ggas just startin' I've been doing it  
hear em talk but they aint living my life  
in the dark tryna get in my life  
but chances I don't 'em, dodge twice  
spendin' grands for hoes, this is the high life  
and for the camera's posing this the high life  
bottles raising for my n-ggas not here  
I pour out a couple sips  
blew em on the beach, I smoke for you on my trips  
them days I was younger I knew this life was the sh-t  
but never like this  
it's so amazing, we aint gotta duck shots  
we just pour and chase 'em  
aint worry bout it, cause they gon hate  
know where I'm going, look where I came from.

[Chorus]
