(feat. Curren\$y)

Money in the floor, weed in a bowl
On the couch life like..
Big TV, nigga, big ass remote

Motion sensors all over my house
For investigate ass hoes
That's waiting for me to pass out
So they can tiptoe all over my home
Woah, pump your brakes, slow your roll
I got cake, bread in loaves
State to state, hit that oad
Hit that bank, when I get home
Hit that lot tomorrow morn'
I think they got the one I want
Top I drop like my ex ho
Top get dropped like I let it go
Fool I close Ferrari doors
My driveway is horror show
Smoke my weed, eat my breakfast
My bitch read our horoscopes
Out loud

Talk about what's gonna get done to a nigga
Until I run in to niggas
Might dress kinda funny to niggas,
I got more money than niggas
These niggas like lacking positive influence
So I'm son'ing these niggas
You niggas more.., I'm more sunny to niggas
That's why I got a couple of cribs and everyone one of
'em on
Shoulda have my Ferrari but now I had to give my
mother a home
Just bought a few pounds the other day and everyone
one of 'em gone
Just counting my chains, tomorrow I'ma put everyone
one of 'em on
You niggas must be trippin' yeah that's a Benz, nigga
what's the addition

Niggas jealous cause they see me getting money
See me and Spitta in this bitch, they like yeah niggas
must be twistin'
So much swag and you niggas looking bummy
And we been giving swag but on the real that wasn't
the intention
So much swag make and niggas wish he was me
It's kinda funny cause a nigga thought I was being
different
I'm getting high laughing at you niggas 'cause it's
funny
