Like me be smoking while I am driving  
In the . we botch just stay living  
Watching the time go by climbing  
Told you I did enough ash to make amount in  
And you can survive it doubting  
. the grass going up where the cloud is  
Some say they get so high that I ain't fucking with them  
I say if I won't get the . I ain't fucking with them  
Doing nothing with them rolling up a puff with them  
Going on a roll doing shows or getting . with them  
I can smoke in my ., mice face your extra curriculum  
fly straight  
Some . for nothing but I just tell them to do what they  
do  
So many swing down the . homie you can too you can  
too  
Just give me weed in my joint and I don't need I am  
straight homie I am straight  
The same way I came in the game we are going the  
same way

All I need is Mary Mary Mary I don't need no other drug  
All I need is Mary Mary Mary I don't need no other drug  
All I need is Mary Mary Mary I don't need no other drug  
All I need is Mary Mary Mary I don't need no other drug  
All I need is Mary Mary Mary I don't need no other drug

You might be smoking while I am raping my homies  
smoke  
I smoke so we botch just make it happen they would be  
smoking they would be active  
Put your . unless you are smoking with the captain eyes  
choked up in ma cabin  
That is . it was rolled up in the napkin  
So we stay alert . smoke papers never smoke in that .  
names and flavors  
I remember putting weed in my videos this thought I  
was insane

Now let me ... on a video I see they drag the same  
thing cause there is . cool  
You need the same . now it just ain't you  
There is a problem who can't lose  
Homie I got something you can't do  
So suck is hate  
Some . for nothing but I just tell them to do what they  
do  
So many swing down the . homie you can too you can  
too  
Just give me weed in my joint and I don't need I am  
straight homie I am straight  
The same way I came in the game we are going the  
same way

All I need is Mary Mary Mary I don't need no other drug  
All I need is Mary Mary Mary I don't need no other drug  
All I need is Mary Mary Mary I don't need no other drug  
All I need is Mary Mary Mary I don't need no other drug  
All I need is Mary Mary Mary I don't need no other drug
