Aye now I could say my name but (say my name but)  
Your bitch already knows it (knows it)  
Got no problem spending paper (paper)

Shawty what's your name put your number in my  
sidekick,  
Caught the nut in spaceship your fuckin with a pilot,  
Say she wanna ride well I can give her mile-age,  
Plus I live the star life won't u come an try it,  
Say I'm wrong I can do that pussy right,  
And when another time zone I can b there by tonite,  
Beat it I can like cuple bottles of patron,  
Do sum thing tonite no problem cus we grown,  
So I'm a pass go, an if u feel the way I feel then let's  
quit talkin bout it shawty let's go,  
Do u like it fast slow, say she gotta need for speed if I  
can drive then I'm a needa a crash course oh,  
So I threw it on her shawty threw it back at her freaky  
shit  
U do it to me I'm a do it back an them statches gon ruin  
the tattos that's on my back,  
So I don't know what with it but u know how to act, looks  
like I'm here with you al night long,  
An I wanna see it so I beat her with the lights on, I ain't  
no tease I wanna b your main attraction,  
Roll camara please I think it's time for sum action, sum  
action, it's not like I been with u all night long,  
And I wanna see it so I beat her with the lights on, I ain't  
no tease I wanna be your main attraction,  
Roll camera please I think it's time for sum action, sum  
action whoa  
Then we can play it right back, I hope your kitty cat  
mean so I can bite back,  
Take off them jeans drink this night cap say men are  
from mars,  
You can be my venus fly track, damn your grip tight, let  
me put it on u slow  
And let me speed up at the light, girl your body look to  
right to even try to put a price on,  
So I jus leave the lights on, I have u tryin different kinds  
of shit when u make it up in my room,

I told u girl that I'm a hit it in high definition, keep your  
lines in your head but in the bed we get unscripted,  
Aye... beat while they home I don't take em out to  
dinna, I need shawty on my camera aye,  
Looks like we been here all night long and I wanna see  
her so I beat her with the lights on,  
And I ain't no tease I wanna be your main attraction,  
Roll camera please I think it's time for sum action, sum  
action  
Looks like we been here all night long, an I wanna see  
her so I beat her with the lights on,  
And ain't no tease I wanna be your main attraction,  
Roll camera please I think it's time for sum action, sum  
action
