[Hook: French Montana (Wiz Khalifa)] x2

I pull up with your bitch in the Rolls  
Don't even get it twisted cause it's already rolled  
(Ain't nothin' like the resto, you rollin' with the  
besto  
Rollin' up the best smoke, blowin' out the best ho)

[Verse 1: Wiz Khalifa]

Doin' a hundred through the desert  
Yeah my car come from the past, you could call it a  
time machine  
Cause it's right here in the present  
In the game and I got leverage  
Ain't the same as none of you niggas  
If I was close to you I would be ashamed of you  
Get a hundred mill's what I came to do  
I guess all this money look lame to you  
So I spend it on shoppin', all of this shit that I'm  
coppin'  
Don't even go to the store, my outfit it ain't even  
droppin'  
Pedal to the floor, smokin' in my new SS  
Seen a lot of bumps on the road to success  
But that ain't stop a nigga from cruisin' up  
Pullin' weed out the ashtray, cuttin' the music up  
Smokin', chillin'  
Used to be underground but now we on top of the  
building

[Hook] x2

[Verse 2: French Montana]

Never had a limit, small face spender  
Everything was cashed out, I ain't ever rented  
Round bag sinner, shawty love a winner  
Beat that pussy up, now that pussy?  
Pull up in the dealer lookin' like a dealer  
Yellow nigga, high as shit, five hundred milla  
? then you gotta step the bill up  
Winter time, hoodie on, drop chinchilla  
Lookin' like a killer

Used to hit the block, fiends lookin' like thriller  
Shooter like Miller, na I mean?  
Pull up in the Porsche, bad bitch talkin' 'bout 500  
horses  
Started from the bottom, nigga was a filler  
Now you need my name so your show could fill up  
Keep my cup fill up, black car the?  
Nigga small-talkin', tell 'em put a mill up

[Hook] x2
