[Wiz Khalifa]  
Oh, oh, ooooh  
Oh, oh, oh  
Oh, oh, ooooh

Back better than ever  
Ask me what I'm doing, I've been stacking,  
autographing  
Smoking tree with your girlfriend if she let us  
Making sure my bags packed for any weather  
Tighten up, your team starting to let up  
Assembly need to get it together  
I remember there was days I wasn't able to change  
clothes  
Now I never wear the same clothes  
Same goes for my bad bitch, rich and her accent thick  
But her ass aint, she'll carry my last name  
Still a step I'll never miss, I'm on this cash chase  
Ballin' off the glass change  
Jordan, me and my gang running the game  
You n-ggas just tryna find what the score is

I can hear that money callin'  
Aint in the position you're in, can't ignore it  
I'm all in

And they sayin' that we changed  
Homie, they don't know as much as they think they  
know  
(as much as they think they know)  
And you know I love to stay with you  
But I gotta go, baby I hear that paper callin'  
(Paper callin', paper callin')  
Another day, another plane  
Baby girl, I hear that paper calling  
(Paper callin', paper callin')  
I'm going out the door as soon as that paper call  
(Paper call, paper call)
