I probably live the life that you wish you could everyday  
You probably think I had it good, had it made  
But nigg' I'm from the A&A, -Eeburg I was in the hood  
everyday  
But now I'm hopping offa Jets  
These people cutting me checks  
And I say people cause I'm rich  
And rich people show me respect (Show me respect)

Now I'm all on your TV, butler and ask what I wanna  
get, Bentley or Lamborghini?  
Just came home and made 200 grand blew it all in

Just came home and made 200 grand blew it all on

Smoking on 8 ounces told myself ain't often that sleepy  
Realest nigga out, it ain't hard to believe me  
That's why all the people that you know try their hardest  
to be me

I probably live the life that you wish you could everyday  
You probably think I had it good got it made  
But nigg' I'm from the A&A, -Eeburg now roll up the
