[Snoop Dogg]

Swish! Twenty-fo', that's Black Mamba
Snoop Dogg, he's a dope rhymer
Collaborate, with the Golden State
In a yellow six-deuce with the purple plates
I dip and dodge, I hit three and roll
Fish and chips, bounce pass down to Pau Gasol
We don't give a damn, about the big three
L.A. Lake' sho' we 'bout to three-peat
aAd you can bet, that's on the set
Ron Artest about to get wet
I'm on the flo', and that's a fact
Sittin next to Uncle Jack, blazin up the purple sack

[Chorus]

[Game]

Yeah... Louis Vuitton don, uhh
Purple twenty-fo's yellow Lambo' I'm ridin

Top blew the guts, doors goin suicidin
Stuff in the wood nigga know we gon' kill that
Blow it in the air boy bet he gon' feel that
Purp and yellow, purp and yellow
Watch me ball like you sittin with Phil at
ten car caravan, Astons Martins and all them hood
whips

Them Cutlasses, them Cadillacs
That leather be grippin them wood tips
I was born up in the wood, claim Compton, bet you ain't
know that
Pops taught me how to get low when the flow clap
Went from a boy to a king, any block I five-five-fo' that
Nigga better know that, boy they ain't playin
Sawed off shotty - what they sayin?
Nothin to a boss, I put two hoes in that LeComp
I come through fuckin niggaz off, hop in that truck and
then get lost
Boy you playin with a King, not Gretzky, hit it if you let
me
Keep yo' girl wetter than Game on a jet-ski
Ooh cool cool - say he smoother than a baby's ass
Pops was a dope boy we still spendin eighties cash
Look on that Mercedes dash, boy you know what it is
Blowin on a scarecrow, on my way to see the Wiz!

[Chorus]

[YG]

Ridin down Rosecrans, Compton, California
Turn on the wrong street they might bang on ya
Home of the Lakers baby, yea you know it's purp and
yellow
Take a hit of what I got, I bet it have you seein doubles
But I'm an angel though and yo' girl's a pigeon
Its money over e'rything, girl you know the vision
Never been a mark, if ya with it we can catch a fade
Brought out 50 blew up the city, young Saddam

I took your girlfriend from you boy, youse a mark
My white Beamer do the Wiz Khalifa, push to start
