[Wiz Khalifa]  
Nigga I smoke good everyday  
I probably live the life that you wish you could everyday  
You probably think I had it good, had it made  
But niggâ€™™ lâ€™™ m from the â€™™burg I was in the  
hood everyday  
But now lâ€™™ m hopping offa Jets  
These people cutting me checks  
And I say people cause lâ€™™ m rich  
And rich people show me respect (Show me respect)  
This come from Atrium, heâ€™™ s from Collette  
These diamonds I got on, they are baguettes  
On DBS so all of â€™™ em see me, used to just be that  
dude on the net  
Now lâ€™™ m all on your TV, butler ask what I wanna get,  
Bentley or Lamborghini?  
Just came home and made 200 grand blew it all in  
Waikiki  
Just came home and made 200 grand blew it all with  
Luigi  
Smoking on 8 ounces told myself ainâ€™™ t often that  
sleepy  
Realest nigga out, it ainâ€™™ t hard to believe me  
Thatâ€™™ s why all the people that you know try their  
hardest to be me

Cause nigga I smoke good everyday  
I probably live the life that you wish you could everyday  
You probably think I had it good got it made  
But niggâ€™™ lâ€™™ m from the â€™™burg now roll up the  
herb

Welcome to my house party (party)
