[Wiz Khalifa - Verse 1]

Its your anniversy is'nt it  
And your man aint acting right  
So you packin' your Domiar luggage up callin' my cell  
phone, try and catch a flight  
You know one thing straight, I'll be there girl whenever  
you call me  
When you at home thats your man, soon as you land  
you say thats all me  
But shit aint all g with him no more, you aint  
entertained  
Since I meet you a couple months ago you aint been  
the same  
Not sayin I'm the richest man alive but I'm in the game  
As long as you keep it 100 Imma spend this change,

[Chorus]

Whenever you need me  
Whenever want me,  
You know you can call me, I'll be there shortly  
Don't care what your friends say, cause they dont know  
me  
I can be your best friend, and you be my homie  
I aint gonna flex, I'm not gonna front  
You know if I ball, then we all gonna stunt  
Send her my way, she aint gotta hold up  
Whenever you call baby I roll up, I roll up, I roll up  
Whenever you call baby I roll up, I roll up, I roll up  
Whenever you call baby I roll up

[Wiz Khalifa - Verse 2]

I try to stay out your business  
But on the real you're so obvious  
And if you keep fitting me in your plans and f-ckin up,

your mans gonna catch onto us  
That white sand surrounding us  
He be handcuffing, he should work for them officers  
If you rolling I got a spot where I can put you on this  
medical, and send you home doctored up  
You wanna ride with me cause you say that he boring  
Wake up you rollin' weed, cooking eggs in the morning  
Aint scared to spend this money I'll make more of it

First you was in the sky now you say you in orbit

[Chorus]

No matter where I am  
No matter where you are  
I'll be there when its over baby  
Cause I was there from the start  
No matter if I'm near  
Don't matter if your far  
All you do is pick the phone up lady  
And I'll be there when you call

[Outro]

Whenever you need me  
Whenever want me,  
You know you can call me, I'll be there shortly  
Don't care what your friends say, cause they dont know  
me  
I can be your best friend, and you be my homie  
I aint gonna flex, I'm not gonna front  
You know if I ball, then we all gonna stunt  
Send her my way, she aint gotta hold up  
Whenever you call baby I roll up

Whenever you need me  
Whenever want me,  
You know you can call me, I'll be there shortly  
Don't care what your friends say, cause they dont know  
me  
I can be your best friend, and you be my homie  
I aint gonna flex, I'm not gonna front  
You know if I ball, then we all gonna stunt  
Send her my way, she aint gotta hold up  
Whenever you call baby I roll up, I roll up, I roll up  
Whenever you call baby I roll up, I roll up, I roll up  
Whenever you call baby I roll up
